

How Do I Recycle?

Recycling in the Village is provided by our garbage hauler
Tim's Trucking (608)643-8760.

Recyclables to be handled as follows:

Plastic- #1-#7 rinsed, caps removed and bagged. NO plastic shopping bags! Milk cartons, detergent containers, and other such items can be tied together and placed next to the bag.

Glass (all colors)- rinsed, caps removed and bagged.

Aluminum & Tin- rinsed and bagged.

Aerosol cans- caps removed and bagged.

Newspapers & Magazines- bundled and tied securely. No more than 10" high.

Cardboard- must be flattened and tied securely. No more than 10" high.

Batteries (lead acid)- must be placed beside the recycle bags.

**All recyclables are to be placed in clear plastic bags. Glass, tin, aerosol cans and aluminum can be bagged together.

You must contact Tim's Trucking to make arrangements for pick-up of items such as, appliances, furniture, etc. There is a separate charge for these items, which will be billed to the property owner. Wal-Mart in Baraboo will take used oil for recycling. **DO NOT** throw it in the garbage or dumpster, the landfill will not accept it.

**Thank you for doing your part to make
the world a better place for future
generations!**

Please help keep our Wastewater Treatment Plant running effectively.

We are asking that you DO NOT flush or put the following items down the drain in an effort to keep our plant operating properly and our drinking water clean.

Medications- over the counter and prescription

Kitchen Waste- grease, unwanted cooking oil, coffee grounds

Diapers- cloth, cotton, paper, plastic, or disposable

Cigarette Butts

Personal Care Products- sanitary napkins, tampons, condoms, panty liners

Trash & Scrap- cotton swabs, dental floss

Kitty Litter

Paper Towels & Facial Tissue

Dirt- (large amounts)

Chemicals- Photo chemicals, paints, thinners, oils, varnishes, pesticides, used motor oil

Toys and other items not meant to be flushed

****Sump Pumps should not be connected to the sanitary sewer system per Village Ordinance 116-5 (3) (a) and Department of Natural Resources regulations.**
